Goodness of Nature

Product Catalog

Remains Original, Leads Global

Dalan is a globally leading brand that brings to life the harmony created by the miracle of olive oil with soap and cosmetics. Reflecting a centurial tradition of these lands, olive oil represents the brand's past, present and future... The story that started in 1941 with Hamdi Dalan in an Aegean city Izmir’s Agora, Namazgah, continues today under the leadership of Akın Dalan.

Believing in the goodness that comes from nature and acting with the motivation of bringing the miraculous benefits of olive oil to consumers, Dalan has an annual production capacity approximately 100,000 tons in its facilities equipped with the latest technology in Pınarbaşı and Aliağa locations in İzmir and Köşk in Aydın. With nearly a centurial experience, Dalan directs the global soap market by bringing together the naturalness and innovation it preserves in its products, and exports to more than 100 countries in 5 continents. Dalan's wide product portfolio includes bar soap and liquid soap, shampoo, conditioner, shower gel, body lotion, cream, soap flakes and powder soap for laundry cleaning. In addition, production of natural glycerin has an important place in the portfolio. Dalan also owns such as Diana, Nancy, Cindy, Roxy and Covex brands.

Having a natural and environmentally friendly production principle, Dalan does not test on animals and carefully analyzes every raw material it uses. It has ISO-9001:2015 Quality Management System Certificate, ISO 22716 Good Manufacturing Practice - Chemical Products and Cosmetics Halal certificate. Taking the globally accepted highest quality standards as a reference, Dalan continues to grow and to offer the goodness of nature to its customers.
